Presidents' Award Nomination Form

Has an individual or organization in your community done extraordinary work or given support for your archives? If so, consider nominating him or her for a MAC Presidents' Award. The award has been established to recognize significant contributions to the archival profession by individuals, institutions, and organizations not directly involved in archival work but knowledgeable about its purpose and value. Each MAC state has a representative for the Presidents' Award Committee. Nominations are initiated by contacting the state chair directly or through solicitations of nominations by the state chairs or members of the committee. The award will be presented at the members' meeting at the annual meeting.

Only one nomination per year may be put forward by each state committee, but as many as three awards can be presented each year. The deadline to submit nominations to a state chair is February 25.
